

Metriq Solutions has a network of highly qualified Consultants that you can tap into to meet your hotel accounting needs. We have made every effort to keep this process simple and ensure that you are paired with the best Consultant for the project assigned to us

### Details

- You give us details on the project including location, dates, budget and preferred experience

### Database

- We search our database of consultants and share this information with ones who best fit your requirements.

### Discuss

- Our Consultants review your requirements and get back to us regarding availability.
- If no one is available, we look to see if we can find someone for alternate dates or another rate

### Decide

- You decide on which one of the available Consultants you want assigned to the project based on the resume and other relevant information we pass on to you.

### Deliver

- The project goes live and both you and the Consultant are supported by Metriq's collective experience and expertise
